## MARBLE & STONE CLEANER

- Ready-to-use cleaner for marble, granite and stone
- Gentle, non-acidic, neutral pH formula
- Won't damage stone

---

### PRODUCT DESCRIPTION

Ready-to-use cleaner specifically formulated for all natural stone including marble, granite, terrazzo, limestone and travertine. Its non-acidic, neutral pH formula won't etch or damage stone surfaces. Cleans dirt, grease and stains and reduces water spotting. Leaves stone shining bright and silky smooth.

### USES

Cleans all stone surfaces including granite, marble, limestone, terrazzo, travertine and slate. Will also clean all ceramic tile and porcelain.

### DIRECTIONS

Spray soiled area and wipe clean with damp sponge. Rinse if necessary. On tougher soils, wait several minutes before wiping. Heavy soils may require scrubbing. Use a white nylon pad to avoid scratching stone. For cleaning larger areas, use TileLab<sup>®</sup> Concentrated Tile & Stone Cleaner. To remove heavy build-up of acrylic and wax floor finishes, mold and mildew stains or greasy dirt, use TileLab Heavy-Duty Cleaner & Stripper.

### PACKAGING

1 quart (946 ml) spray bottle.

### ITEM CODES

TLSWQT

### CAUTION

Keep out of reach of children. May be harmful if swallowed. Do not induce vomiting. Give plenty of water and call a physician immediately. If eye contact occurs, flush immediately with plenty of water for 15 minutes. If contact with sensitive skin occurs, wash with soap and water. Call physician if necessary. Do not mix with other solutions. Keep from freezing.
