

# TILELAB<sup>®</sup>

## STONEGLOSS<sup>™</sup>

### POLISH

- Shines polished marble and stone
- Hides etching and abrasions
- Helps protect against spills and stains

#### PRODUCT DESCRIPTION

Water and stain resistant, spray and buff polish for polished stone. Restores luster and enhances color while hiding etching and abrasions. Provides water-resistant finish.

#### USES

For all polished stone such as marble, terrazzo, serpentine, limestone and granite.

#### DIRECTIONS

Shake well before using. Spray a light, even mist and spread with a clean, dry cloth. A small amount is all that is needed. Allow to dry until a haze forms. Then buff surface to a shine with a clean, dry, soft, lint-free cloth. Not recommended for floors. For maximum stain protection, seal stone surface with TileLab<sup>®</sup> SurfaceGard<sup>®</sup> Penetrating Sealer.

#### COVERAGE

400 - 800 sq. ft. per pint (37.2 - 74.4 sq. m per 473 ml).

#### CLEAN-UP

Clean tools and hands with soap and water immediately after use.

#### PACKAGING

1 pint (473 ml) spray bottle.

#### ITEM CODE

TLSGLPT

#### CAUTION

Keep out of reach of children. Contains petroleum distillates. Keep away from heat and flame. Use with adequate ventilation. Harmful if swallowed. Do not induce vomiting. Give plenty of water and call a physician immediately. If eye contact occurs, flush immediately with plenty of water for 15 minutes. If contact with sensitive skin occurs, wash with soap and water. Call physician if necessary. Do not mix with other solutions. Keep from freezing.
